The Buck Rub Pub was established on October 26, 1989. It was originally located where the dining room is at the entrance. In 1993, the Connecticut Lakes Emporium was closed to make room to expand the dining room for the Buck Rub.

Over thirty years later, we are honored to still be serving all that travel through our door. We thank you all for your patronage over the years and we look forward to continuing to serve our supporters.

We hope you have a pleasant and relaxing experience!
